Heating, Air Conditioning & Ventilation

Definition

All terms used in this Subdivision 1.b. shall be interpreted as defined in the Minnesota Heating, Ventilating, Air Conditioning and Refrigeration Code.

Fees Required

The Building Code Department, before issuing any permit for the construction, installation, alteration, or repair of any furnace, boiler, heating or power plant or system, or any device or equipment connected therewith, or for any other device connected to, or to be connected with, any chimney or stack, or for the construction, installation, alteration, addition or repair of any cooling piping and equipment, or of any air conditioning system or ventilation system, or sheet metal duct work or equipment therewith, or of any refrigeration plant or equipment, shall require the payment by the applicant for such permit, fee or fees in the amount herein required.

Heating, Air Conditioning, & Gas Piping Permit Fees

\$38.00 For **EACH** Heating or Air Conditioning Unit, including Air Exchange units, Bath/Kitchen fans, In-Floor heat systems, gas logs/fireplaces, factory wood burning and factory fireplaces plus State Surcharge – minimum 2 units, maximum fee 6 units

- \$12.50 per gas fitting or connection, with a \$25.00 minimum (on gas fitting) no State Surcharge
- If permit issued for gas line/gas piping only, then minimum fee is \$38.00 plus State Surcharge
- Masonry Fireplaces require a regular building permit, need to submit plans & fee is based on valuation

Residential Fixture Maintenance (Replacement) – plumbing and mechanical*

\$40.00 plus state surcharge - (This permit is for <u>replacing</u> a previously existing fixture or appliance where only disconnecting and reconnecting of existing pipes or ducts is to be done.) This fee includes one inspection trip.

*Examples of Fixture Maintenance Permits: sink, faucet, water heater, water softener, furnace/ac

State Surcharge \$1.00

Commercial mechanical work requires plan review. See commercial mechanical application.

ALL MECHANICAL CONTRACTORS MUST BE REGISTERED WITH THE CITY OF MOUND AND PROVIDE BONDING AND PROOF OF INSURANCE.
